

# About Us

## From Farms To Global Markets

Supplying Agricultural Products With Care And Consistency.

Engaged In Agricultural Trading And Exports For Domestic And Global Markets.

## Introduction

Shashvat Corporation is an agricultural trading and export company focused on connecting Indian farms with domestic and global markets. We specialize in the sourcing, processing, and supply of onion powder, garlic powder, ginger powder, fruits, and vegetables, ensuring consistent quality and reliable delivery.

In today's global trade environment, quality, transparency, and reliability are essential. At Shashvat Corporation, we work closely with trusted suppliers and partners to maintain export-ready standards across our product range. Our approach is built on careful sourcing, quality checks, and responsible handling at every stage of the supply chain.

We understand that agricultural products require precision, consistency, and compliance with market requirements. By following structured processes and ethical sourcing practices, we aim to support our buyers with products they can trust for long-term business relationships.

Shashvat Corporation is committed to responsible trade, steady growth, and building meaningful partnerships — delivering agricultural products with integrity from India to global markets.

## Connecting Farms To Markets

Shashvat Corporation connects Indian agricultural produce with domestic and international markets through reliable trading and export operations. We specialize in onion powder, garlic powder, ginger powder, fruits, and vegetables.

By working closely with suppliers and maintaining export-ready standards, we ensure smooth supply and dependable product quality.

### Trusted Indian Sourcing

Shashvat Corporation is built on trust, consistency, and long-term partnerships. Rooted in India's rich agricultural ecosystem, we work closely with farmers, processors, and supply partners to deliver quality agricultural products to domestic and global markets. Our journey is driven by integrity, market understanding, and a commitment to reliable trade.

### Export-Ready Products

We ensure that our products are processed, packed, and prepared to comply with international trade requirements. Our export-ready approach focuses on proper documentation, packaging integrity, and consistent supply to support smooth cross-border trade.

### Quality You Can Trust

Quality is at the core of everything we do. From raw material selection to final packaging, our products undergo careful inspection and handling. We source premium-grade onions, garlic, ginger, fruits, and vegetables that meet buyer expectations and export standards.

### Wide Product Range

Shashvat Corporation offers a diversified portfolio including onion powder, garlic powder, ginger products, fresh fruits, and vegetables. Our range is designed to serve wholesalers, distributors, and importers with flexible quantities and dependable availability.

**Fresh.  
Organic.  
Natural.**

### Ethical & Sustainable Trade

We believe in responsible sourcing and sustainable agricultural practices. By supporting ethical trade and efficient supply chains, we aim to create long-term value for farmers, partners, and customers while respecting the environment. Our approach focuses on consistency, transparency, and long-term partnerships.

## Join The Shashvat Family

Shashvat Corporation is engaged in the sourcing, trading, and export of agricultural products including onion powder, garlic, ginger, fruits, and vegetables. We work closely with trusted suppliers to ensure consistent quality and reliable supply for domestic and international markets.

Our focus is on quality assurance, ethical sourcing, and long-term partnerships. By maintaining clear processes and export-ready standards, we aim to deliver agricultural products that meet market expectations across regions.

At Shashvat Corporation, we believe in responsible trade and steady growth — connecting Indian agriculture with global opportunities.
